## Catalog No. M075C010

**Description: MW 100A SURFACE 50/30/20GFCI**

**UPC No 784567565584**

**Home > RV Park Equipment > Surface - Metered**

Midwest Electric's metallic RV units are manufactured using 16-gauge, galvanized zinc-coated steel and NEMA 3R construction, which resists corrosion and fading and provides lasting service in outdoor applications. Units are available in surface mount and earth burial or padmount posts, offering a wide range of receptacle configurations to fit your needs.
