KILLARK®

# LB38 - 1″ LB Hub, Iron Duraloy 8 Conduit Body

By Killark
Catalog # LB38

1″ LB Hub, Iron Duraloy 8 Conduit Body

## Features

- Completely interchangeable with competative bodies, gaskets, and covers.
- Flat back design provides greater cubic capacity for easier wire pulling and more room for splicing.
- Raintight when used with gasketed covers.
- Stainless steel screws on stamped and cast covers.
- Smooth integral wire bushings.

## Application

To provide access to conductors for pulling, splicing, and maintenance. Threaded for rigid conduit and IMC.
