KILLARK®

LR18 - 1/2″ LR Hub, Iron Duraloy 8 Conduit Body

By Killark
Catalog # LR18

1/2″ LR Hub, Iron Duraloy 8 Conduit Body

Features

- Completely interchangeable with competative bodies, gaskets, and covers.
- Flat back design provides greater cubic capacity for easier wire pulling and more room for splicing.
- Raintight when used with gasketed covers.
- Stainless steel screws on stamped and cast covers.
- Smooth integral wire bushings.

Application

To provide access to conductors for pulling, splicing, and maintenance. Threaded for rigid conduit and IMC.
