#LegrandImprovingLives

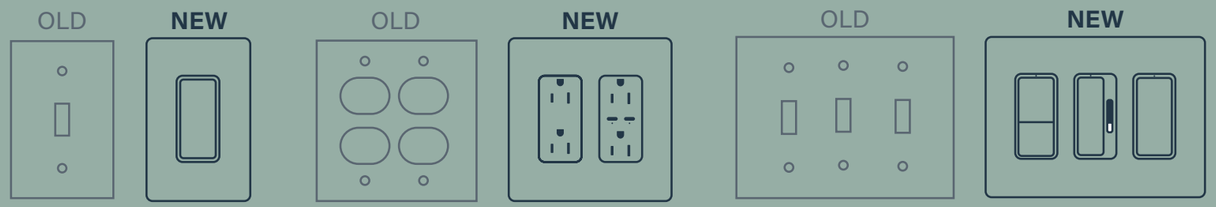
legrand®

legrand®

You deserve a home that's a step above ordinary.

With designer switches and outlets from the radiant® Collection, upgrading your space with style and innovation starts at the wall. Available in an array of classic colors and metallic finishes, all enhanced by clean, screwless wall plates, the radiant Collection complements any space, while also delivering industry-leading features for smarter control and faster charging. Get more style, comfort and convenience – get more radiant.

Replace any existing switch or outlet to instantly elevate your space.



Switches & Dimmers

Transform your home with designer switches and dimmers from the radiant® collection.

- Easy-to-install switches and dimmers add function and style
- Screwless Wall Plates feature sleek, clean lines
- Low profile and smooth paddle action
- Combination controls add versatility to meet your needs

Smart Lighting

radiant® WITH Netatmo

Smart Gateway with Netatmo **WNRH1WH***

Smart Switch with Netatmo **WNRL10WH***

Smart Tru-Universal Dimmer with Netatmo **WNRL50WH***

Home/Away Wireless Smart Switch with Netatmo **WNRL33WH***

Smart Outlet with Netatmo **WNRR15WH**

Manage lights and power, from anywhere, with the Legrand Home + Control app.

- Smart Gateway required to create a robust, dedicated network for ultra-reliable whole-home usage
- Allows advanced control of lights and power from anywhere
- Works with Amazon Alexa, Google Home and Apple HomeKit
- Add wired or battery-operated wireless remote switches and dimmers anywhere you want easy 3-way or one-touch scene control.

*Includes Microban antimicrobial protection.

EASY KITS

Add On-Wall Control. **No New Wires.**

Easy 3-Way Switch Kit, White	Easy 3-Way Dimmer Kit, White	Easy Switched Outlet Kit, White
WNREZK10WH	**WNREZK50WH**	**WNREZK15WH**
Add a wireless switch for control of a light or fixture from a second on-wall location. Ideal for spaces without 3-way wiring.	Add a wireless dimmer for light-level control of a light or fixture from a second on-wall location. Ideal for spaces without 3-way wiring.	Add a wireless switch for on-wall control of a lamp or other plugged-in appliance. Ideal for rooms without overhead lighting.
KIT INCLUDES: (1) radiant® Switch with Wall Plate (**WNRL10WH**); (1) radiant® Wireless Switch with Wall Plate (**WNRL23WH**)	KIT INCLUDES: (1) radiant® Tru-Universal Dimmer* with Wall Plate (**WNRL50WH**); (1) radiant® Wireless Dimmer with Wall Plate (**WNRL63WH**) *The Tru-Universal Dimmer is designed to work with virtually any 120V dimmable bulb or fixture.	KIT INCLUDES: (1) radiant® 15A Outlet with Wall Plate (**WNRR15WH**); (1) radiant® Wireless Switch with Wall Plate (**WNRL23WH**)

Replace an existing switch, dimmer or outlet with the kit's wired device (neutral required), then simply mount the included wireless switch or dimmer to any wall with the provided adhesive – no cutting or wiring required – to add multi-location control in seconds.

Devices come pre-paired, no configuration or smart gateway required for operation.

Additional wireless switches/dimmers can be purchased separately and paired for on-wall control from even more locations.

Outlets

Power your life with radiant® outlets that exceed safety standards for any room, charge smart devices without clunky adaptors and seamlessly blend in with your décor.

- GFCI outlets self-test every 3 seconds for greater ground fault protection
- Nightlights illuminate any space without sacrificing an outlet
- Built-in USB charging simplifies powering phones, tablets and small laptops
