Locking Devices, Twist-Lock®, Replacement Interiors, For
HBL63CM54 63CM65 HBL63CM75, Screw Terminal, Black

Features

- Pressure screw terminals for secure terminations
- Thermoset contact carrier is arcing and heat resistance
- Contact blades are nickel plated brass for corrosion resistance

Specifications

Standards - RoHS Compliance	CM
Status	
Industry Standard(s)	UL Listed
EU RoHS Indicator	No

General

Specifications	• Blade Type - Locking • For Use With - 50A 125/250V Traditional Metallic Inlet
----------------	---

	• Product Type - Replacement Interiors
Color	Black
UPC	783585107059
Material - Mounting Hardware	Screw Mounting
Material	Thermoplastic

Logistics

Carton Quantity	10
-----------------	----

Operational

Temperature Rating	• Maximum Continuous: 75° C • Minimum Continuous: -40° C w/o impact
--------------------	---
