

GFSMCB120451P

By Hubbell Wiring Device-Kellems
Catalog # [GFSMCB120451P](#)

Power Protection Product, GFCI Circuit Breakers, Industrial,
Single Pole, 45A, 120V AC, GFCI Circuit Breaker Sensing Modules,
4-6 mA Trip Level, Black.

Application

Heavy Duty Industrial Commercial

Specifications

Environmental Conditions	NEMA 4X with Supplied Gasket
EU RoHS Indicator	No

Conductor

Number Of Poles	1-Pole
-----------------	--------

Configuration

Auxiliary Contacts	None
--------------------	------

Current

Interrupt Rating	10,000 A
Frequency Rating	60 Hz
Amperage Rating	45 A
Load Rating	80% of Full Rating Continuous A
Voltage Rating	120 VAC
Connectivity	Terminal Screws
Phase	Single Phase

Current / Amperage Rating	45 A
Trip Range	4 to 6 mA in
Trip Type	.025 Seconds
Current Rating	45 A

Dimensions

Width	0.73 in
-------	---------

General

Frame	Standard
UPC	783585692265
Enclosure Type	None
Item Type	Circuit Breaker
Material	Composite

Operational

Operating Temperature	Max Continuous- 75 Degrees C, Minimum- -40 Without Impact
Actuator	Toggle
