

Wall SW Programmable Timer with  
Astronomical Clock, Features, 3-Colors

By Hubbell Wiring Device-Kellems  
Catalog # [WSTA120](#)

Wall SW Programmable Timer with Astronomical Clock, Features,  
3-Colors

Features

- Fully Programmable Schedules
- Neutral Wire Required
- Interchangeable Color Cover
- Compatible with "3-Way" Configuration

Specifications

|                             |                      |
|-----------------------------|----------------------|
| Standards - RoHS Compliance | CM                   |
| Status                      |                      |
| EU RoHS Indicator           | Contact Manufacturer |

Current

|                            |                                 |
|----------------------------|---------------------------------|
| Voltage Rating Description | 120 VAC                         |
| Current/Amperage Rating    | 15A, Incandescent, 10A Ballast, |
| Description                | 5A CFL/LED                      |

General

|        |                           |
|--------|---------------------------|
| Color  | Gray, Light Almond, White |
| Style  | Switches                  |
| UPC    | 783585565507              |
| Type   | Astronomical              |
| Series | Programmable              |

Logistics

|                 |      |
|-----------------|------|
| Pallet Quantity | 1920 |
| Carton Quantity | 10   |
