BBP®33 LABEL PRINTER

Unbelievably easy. No wasted labels. The way label making should be.

Introducing the BBP®33 Label Printer - a whole new way to make labels. No more tedious, time-consuming setups or calibrations. No more difficult-to-load materials. No more wasted labels. No more hassles. This PC-connect only printer is so simple to use, most of our customers don't even believe us the first time we show them. But believe it, because it really is that easy.

It's an industrial label printer that's simple, powerful and brilliantly fast. Exactly the way label making should be.

Impressive material lineup

- With over 550 parts and 40 materials, this printer meets your primary labeling needs, and so much more
- Safety & arc flash labels AND wire & panel labels
- Pipe markers & 5S labels AND general purpose die cut labels

▶ **BBP33 At-A-Glance:**

- Small Footprint
- PC-Connect Printing
- Single Color Printing
- Safety, Facility, Wire & Product ID Labels
- 300+ parts, 14 materials (for SFID)
350+ parts, 28 materials (Wire ID & OEM)
