

**SKU:** TB-6WBG500-IX

**UPC:** 0783669014938

**Features & Benefits:**

**Description:** Taskmaster 6 Ton Battery Hydraulic In-Line Crimping Tool With BG-Nose Jaw Without Battery and Charger

## Specs

### Additional Technical Specifications

|                       |                           |
|-----------------------|---------------------------|
| Battery Chemistry     | NA                        |
| Crimping Capacity     | 8 AWG - 500 kcmil CU      |
| Energized Line Tested | Yes                       |
| Force                 | 6 tons                    |
| Power Source          | Battery-powered Hydraulic |

### Additional Class Attributes

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Body Type                  | Inline                                                                               |
| Compression shape          | Die taking                                                                           |
| Crimp Style                | Die taking                                                                           |
| Function                   | Crimp                                                                                |
| Handle Type                | Cushion grip                                                                         |
| Heads Exchangeable         | Yes                                                                                  |
| Includes                   | Tool, Crimp head, Shoulder strap, Durable carrying bag, Instruction manual, USB Cord |
| Inserts Exchangeable       | Yes                                                                                  |
| Max Lug Size AL            | 350 kcmil AL                                                                         |
| Max Lug Size CU            | 500 kcmil CU                                                                         |
| Number of included inserts | 0                                                                                    |
| Storage Specification      | Non-humid environment                                                                |
| Type of Accessory          | BG-Nose Die                                                                          |
| Warranty                   | 5 Year                                                                               |
| With automatic return      | Yes                                                                                  |

### Dimensions

|                |      |
|----------------|------|
| Height (IN)    | 4.5  |
| Height BX (IN) | 5    |
| Length (IN)    | 22.5 |
| Weight (LB)    | 8.25 |
| Weight BX (LB) | 8.45 |
| Width (IN)     | 14   |
| Width BX (IN)  | 14.5 |

### Material and Finish

|                   |     |
|-------------------|-----|
| Handle Insulation | Yes |
|-------------------|-----|

|                 |         |
|-----------------|---------|
| Handle Material | Plastic |
| Jaw Material    | Steel   |
| Material        | Plastic |

### General

|                             |                |
|-----------------------------|----------------|
| Bag Quantity                | 1              |
| Carton Quantity Description | STD PACK QTY 1 |
| NEMA Code                   | S-575-2        |
| UPC Code                    | 78366901493    |

### Color

|              |        |
|--------------|--------|
| Handle Color | Orange |
