

XIRTEC® PVC FITTINGS

Schedule 40 Large Diameter Molded Fittings – Phase 1

IPEX is pleased to announce updates to several fittings within our new Large Diameter Molded Fittings offering. These fittings available in 8", 10", and 12" sizes have been optimized for improved manufacturability and installation performance.

Updated dimensional data is available in the chart below. For CAD files or submittal sheets, please contact your Regional IPEX Representative.

Benefits of Xirtec® PVC Large Diameter Molded Fittings

- **Lighter Weight** for easier handling
- **Compact Design** that minimizes space requirements
- **Seamless Design** ensuring smoother and cleaner aesthetics
