

# GUMFS-1 - 180° 1/2" Aluminum, Swivel Elbow

By Killark  
Catalog # [GUMFS-1](#)

180° 1/2" Aluminum, Swivel Elbow

## Features

- Threaded for rigid conduit or IMC
- Smooth integral bushings to prevent damage to wires

## Application

Allows conduit to be joined at angles ranging between 90° and 180°. A screwdriver is the only tool needed.

## Specifications

|                          |                                                                                                                                                                                              |
