

# T448 - 1-1/4" T Hub, Iron Duraloy 8 Conduit Body

By Killark  
Catalog # [T448](#)

1-1/4" T Hub, Iron Duraloy 8 Conduit Body

## Features

- Completely interchangeable with competitive bodies, gaskets, and covers.
- Flat back design provides greater cubic capacity for easier wire pulling and more room for splicing.
- Raintight when used with gasketed covers.
- Stainless steel screws on stamped and cast covers.
- Smooth integral wire bushings.

## Application

To provide access to conductors for pulling, splicing, and maintenance. Threaded for rigid conduit and IMC.

## Specifications

EU RoHS Indicator                      Contact Manufacturer

## Configuration

Hub Pattern                      T

## Dimensions

|                             |                       |
|-----------------------------|-----------------------|
| Height                      | 4 in                  |
| Width                       | 4 in                  |
| Hub Size                    | 1-1/4"                |
| Length                      | 9.25 in               |
| Gross Weight with Packaging | 3.78                  |
| Dimensions                  | 9.25 in x 4 in x 4 in |

## General
