Technical Information

Electrical Specifications

Amperage : 13 A

Dielectric Voltage : Withstands 2000V per IEC 60884 and SASO 2203

Grounding : Self-Grounding

Type : BS1363 Switched Outlet

Voltage : 250 VAC

Material Specifications

Body Material : Polycarbonate

Contact Material : Brass 0.031 Thick

Face Material : Polycarbonate

Ground Clips : Brass

Grounding Screw : Brass 8-32

Strap Material : Galvanized Steel

Terminal Screws : Brass-M4 X 0.7 Thread

Mechanical Specifications

Ground ID : Green Screw

Line Terminal ID : Marked on device with "L"

Neutral Terminal ID : Marked on device with "N"

Product ID : Ratings permanently marked on device

Terminal Accom. : 14-12 AWG

Product Features

Amperage : 13 A

Color : White

Product Type : Switch/Outlet Combo

Type : BS1363 Switched Outlet

Voltage : 250 VAC

Standards and Certifications

BS : 1362

IEC : 60884-2-3

SASO : 2203

Warranty : 2-Year Limited
