

radiant Collection
radiant® Single-Pole/3-Way Switch with Amber LED Night Light
Part No. NTL873AMBERW

Add the convenience of a little extra light, wherever your home needs it, with this combination switch and built-in night light from the radiant® Collection. Easily replacing an existing single-pole or 3-way switch, the night light portion has five adjustable light levels and uses a hidden sensor to turn on when it is dark, making it a great addition to bathrooms, kitchens and nurseries. Features the sleek, clean lines of radiant for a sophisticated touch. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Replaces existing Single Pole or 3-way Switch.	Five adjustable light settings, including Ultra Low, Low, Medium, High and OFF.
Hidden sensor automatically controls night light based on ambient light.	Energy-efficient soft glow Amber LED light remains cool to the touch even when in use.
Side and back wire terminations.	Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.
