

# Product data sheet

Specifications

license, EcoStruxure Automation Expert, runtime, expandable, simplex application, perpetual, 100 IO points

EALPCP

**Product availability: Non-Stock - Not normally stocked in distribution facility**

## Main

|                           |                                                                                                   |
|---------------------------|---------------------------------------------------------------------------------------------------|
| Range of Product          | EcoStruxure Automation Expert                                                                     |
| Product or Component Type | License                                                                                           |
| Format                    | Digital                                                                                           |
| Type of License           | Standard application                                                                              |
| Software Version          | V25.0                                                                                             |
| User Language             | English<br>Chinese<br>German<br>French<br>Italian<br>Spanish<br>Portuguese<br>Turkish<br>Japanese |

## Complementary

|                    |                           |
|--------------------|---------------------------|
| Variant            | Runtime                   |
| License category   | Perpetual                 |
| Software Function  | Engineering and operation |
| Hosting option     | On-premise                |
| License size       | 100 IO points             |
| Display Resolution | 1280 x 1024 pixels        |

## Ordering and shipping details

|                   |               |
|-------------------|---------------|
| Category          | US1PC1522555  |
| Discount Schedule | PC15          |
| GTIN              | 3606487956556 |
| Returnability     | No            |
| Country of origin | US            |

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
