

# Product data sheet

Specifications

license, Ecostruxure Machine Expert  
Twin, builder, node locked, annual,  
single, 1 user, 50 objects

ESETBSCZSSXAZZ

**Product availability:** Non-Stock - Not normally stocked in  
distribution facility

## Main

|                              |                                 |
|------------------------------|---------------------------------|
| Range of Product             | Ecostruxure Machine Expert Twin |
| Product or Component Type    | License                         |
| Format                       | Digital                         |
| Software Type                | Builder                         |
| Type of License              | Node locked license             |
| Software Version             | V2.2                            |
| Operating system requirement | Windows 10                      |
| User Language                | English                         |

## Complementary

|                             |                                                                                                                                                                                                                                                     |

## Ordering and shipping details

|                   |               |
|-------------------|---------------|
| Category          | US10MSX22533  |
| Discount Schedule | 0MSX          |
| GTIN              | 3606482197787 |
| Returnability     | No            |
| Country of origin | US            |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
