

# Product data sheet

Specifications

Earth leads section 25mm<sup>2</sup>, length 220mm, eyelet hole 8,3mm.  
Packaging unit: 10.

NSYEL2225D8

**Product availability: Non-Stock - Not normally stocked in distribution facility**

## Main

|                           |               |
|---------------------------|---------------|
| Range                     | PanelSeT      |
| Anwendung                 | Multi-purpose |
| Product or Component Type | Earthing wire |
| Device composition        | 1 lead        |
| Quantity per Set          | Set of 10     |

## Complementary

|                       |                                                                                     |
|-----------------------|-------------------------------------------------------------------------------------|
| Material              | PVC (polyvinyl chloride) green and yellow sheath<br>Brass and copper alloy terminal |
| Fixing mode           | Nut and washer - on earth connection                                                |
| Length                | 8.7 in (220 mm)                                                                     |
| Nominal cross section | 0.04 in <sup>2</sup> (25 mm <sup>2</sup> )                                          |
| Diameter              | 0.3 in (8.3 mm)                                                                     |

## Ordering and shipping details

|                   |               |
