Specifications

## Microperforated mounting plate H800xW600 w/holes diam 3,6mm on 12,5mm pitch

NSYMF86

**Product availability: Stock - Normally stocked in distribution facility**

### Main

|                                    |                                              |
|------------------------------------|----------------------------------------------|
| Range                              | PanelSeT                                     |
| Accessory / separate part category | Mounting accessory                           |
| Product or Component Type          | Mounting plate                               |
| Device Application                 | Multi-purpose                                |
| Enclosure nominal dimensions       | - H: 31.5 in (800 mm) W: 23.6 in (600 mm)    |
| Mounting Location                  | Step slide<br>Direct fixing on backstuds     |
| Mounting plate description         | Microperforated                              |
| Range compatibility                | PanelSeT S3D<br>PanelSeT CRN<br>PanelSeT PLM |
| Quantity per Set                   | Set of 1                                     |
| Material                           | galvanised steel                             |

### Complementary

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Fixing mode                | Screwed on backstuds M8<br>By fixing element                                        |
| Permanent permissible load | 297.6 lb(US) (135 kg)                                                               |
| Height                     | 30.1 in (765 mm)                                                                    |
| Width                      | 21.7 in (550 mm)                                                                    |
| Depth                      | 4.9 in (125 mm)                                                                     |
| thickness                  | 0.10 in (2.5 mm)                                                                    |
| Product Weight             | 17.2 lb(US) (7.8 kg)                                                                |
| Variant particularity      | With enclosures H800 x W1200<br>Installation in enclosures with inverted dimensions |

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
