Specifications

## Spacial SF 19" fixed rack - 2200 mm

NSYRCK47

**Product availability: Non-Stock - Not normally stocked in distribution facility**

### Main

|                                    |                                              |
|------------------------------------|----------------------------------------------|
| Range                              | PanelSeT                                     |
| Accessory / separate part category | Mounting accessory                           |
| Product or Component Type          | 19" rack                                     |
| Application                        | Electronic application                       |
| For enclosure nominal dimensions   | - H: 86.6 in (2200 mm)                       |
| Rack type                          | Fixed                                        |
| Mounting Location                  | On structure of enclosure                    |
| Mounting Support                   | 19" fixed support bracket                    |
| Range compatibility                | PanelSeT PanelSeT SF<br>PanelSeT PanelSeT SM |
| Device composition                 | fixing elements<br>2 upright                 |
| Quantity per Set                   | Set of 1                                     |
| Number of units 19"                | 47                                           |

### Complementary

|                               |                                                        |
|-------------------------------|--------------------------------------------------------|
| Rack coverage                 | Complete                                               |
| Material                      | steel                                                  |
| Enclosure/cubicle description | Floor-standing enclosure                               |
| Surface Finish                | Zinc coated                                            |
| Fixing Mode                   | By fixing element                                      |
| Adjustment                    | Adjustable in depth every 25 mm                        |
| Permanent permissible load    | 881.8 lb(US) (400 kg)                                  |
| Height                        | 86.6 in (2200 mm)                                      |
| Width                         | Nominal: 31.5 in (800 mm)<br>Nominal: 23.6 in (600 mm) |
| Depth                         | 1.8 in (45 mm)                                         |

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.
