

GFSMCB120151P

By Hubbell Wiring Device-Kellems
Catalog # [GFSMCB120151P](#)

Power Protection Product, GFCI Circuit Breakers, Industrial,
Single Pole, 15A 120V AC, GFCI Circuit Breaker Sensing Modules,
4-6 mA Trip Level, Black

Application

Heavy Duty Industrial Commercial

Specifications

Environmental Conditions NEMA 4X with Supplied Gasket
EU RoHS Indicator No

Conductor

Number Of Poles 1-Pole

Configuration

Auxiliary Contacts None

Current

Interrupt Rating 10,000 A
Frequency Rating 60 Hz
Amperage Rating 15 A
Load Rating 80% of Full Rating Continuous
Voltage Rating 120 VAC
Connectivity Terminal Screws
Phase Single Phase

Current / Amperage Rating 15 A
Trip Range 4 to 6 mA in
Trip Type .025 Seconds
Current Rating 15 A

Dimensions

Width 0.73 in

General

Frame Standard
UPC 783585692203
Enclosure Type None
Item Type Circuit Breaker
Material Composite

Operational

Operating Temperature Max Continuous- 75 Degrees C,
Minimum- -40 Without Impact
Actuator Toggle
